

# Create a helicopter!

## You'll Need:

- Scissors
- Tape, Glue, or Paperclip

## Instructions:

1. Cut along all solid lines
2. Fold along dotted lines "A" and B"
3. Fold along dotted line "C"
4. Secure flap created by Step 3 with tape, glue, or a paperclip
5. Fold along dotted lines "D" and "E" in opposite directions.
6. Drop with recently folded sides facing up
