

WonderCamp Health and Safety Practices

WonderLab is committed to ensuring that the safest camp options are available to all families.

Drop Off and Arrival

- Please do not come to camp if you, or anyone in your household, feels ill.
- Extended drop off time enables parents and caregivers to stagger arrival.
- Campers will be greeted at their cars by a staff member and walked by a staff member to their camp area.
- Campers will wash hands and / or use hand sanitizer before joining the day's activities.
- Parents and caregivers should remain in vehicles during drop-off and pick up.
- Arrangements for campers arriving by foot, bike, or public transportation will be made individually.
- WonderLab will utilize communication tools such as text or email so that parents are able to have clear communication with the Camp Director and staff without extra traffic through camp areas.
- Parents and caregivers of each camp will be made aware of communication practices and tools in advance of that camp so that they may communicate effectively with the Camp Director and staff.

During Camp

- Campers will wash hands before and after snack and lunch time. Campers will not share food or drink. Snacks and lunch will be outdoors whenever possible.
- Campers will wash and/or sanitize hands between activities and as otherwise necessary throughout the camp day.

Cleaning and Sanitation

- All surfaces and common materials will be disinfected at the end of each day.
- All camps will engage in outdoor activities as much as possible.

Pick-Up

- Extended pick-up times enable parents and caregivers to stagger arrival.
- Drivers are asked to display their camper's name in the vehicle window for speedy pick up.
- Staff will bring campers to the car and drivers will remain in the vehicle.
- Drivers are asked to have their ID ready.
- Parents and caregivers will be made aware of communication practices and tools in advance of that camp so that they may communicate effectively with the Camp Staff and the Camp Director.
- Arrangements for campers departing by foot, bike, or public transportation will be made individually.
- Things parents/caregivers can do to speed up pick up: 1. Have ID ready to show staff 2. Display campers name in the window of the vehicle.

Camp Staff Health Safeguards

- Camp staff will be CPR and First Aid trained.
- Staff will be trained and familiarized with safety and sanitation procedures practices.
- Staff will be familiar with communication practices and tools for camps.
- Camp staff are instructed to wash hands (or use hand sanitizer if washing is not possible) frequently throughout the day.
- Staff are required to stay home if they feel ill, go home if they feel ill.
